lebenshilfe
Wege für Menschen

Lebenshilfe Graz und Umgebung – Voitsberg (Lebenshilfe GUV)

The Lebenshilfe GUV as an association in the field of handicapped aid has 50 years of experience in the work with people with disabilities. Its main services are living assistance, productive and creative occupation and vocational training as well as mobile services. The aim of the Lebenshilfe GUV is to accompany disabled people over their whole span of life in order to enable them for a normal and self-determined life.

Ausbildungszentrum
für Sozialberufe

Ausbildungszentrum für Sozialberufe der Caritas Steiermark (ABZ Wielandgasse)

The ABZ Wielandgasse is a vocational college in the field of disability care, family care and care for elderly people. The three-year training program is in step with actual practise and leads to two levels of degrees. Since 2009 ABZ offers an inclusive vocational training for people with disabilities (IBB): People with learning difficulties are being qualified to work as disability care workers in the open service sector and support persons with disabilities. The training takes two years.

European Association of Service Providers for Persons with Disabilities (EASPD)

EASPD as the European umbrella association represents over 8000 social service providers across Europe and across disability. The main objective of EASPD is to promote the equalisation of opportunities for people with disabilities through effective and high quality service systems. The work of EASPD is based on the interdependence and partnership of user organisations, providers and authorities at all levels to tackle the challenges ahead.
